I certify the information furnished by me is true and correct and that I am the owner of the subject property or I have been given express permission by the owner of the subject property, to submit this application for permit. I will comply with all provisions of law, code and ordinances governing this type of construction work, including state contractor registration laws. The permit will expire if work authorized by this permit is not commenced within 180 days of issuance, or work is suspended or abandoned, after work is commenced, for a period of 180 days. The approval of construction plans and inspections does not guarantee all provisions of the applicable codes have been met. It is the responsibility of the permittee, or the person doing the work, to notify the Building Division for inspections at least 24 hrs in advance, and insure that the required inspections are made.

Application expires 180 days after Date Submitted
